## AGREEMENT

Agreement by and between the San Diego County Chapter, National Electrical Contractors Association and Local Union 569, I.B.E.W.

It shall apply to all firms who sign a Letter of Assent to be bound by this Agreement.

As used hereinafter in this Agreement, the term "Chapter" shall mean the San Diego County Chapter, National Electrical Contractors Association and the term "Union" shall mean Local Union 569, I.B.E.W.

The term "Employer" shall also mean an individual firm who has been recognized by an Assent to this Agreement.

## BASIC PRINCIPLES

The "Employer" and the "Union" have a common and sympathetic interest in the Electrical Industry; therefore, a working system and harmonious relations are necessary to improve the relationship between the "Employer" and "Union" and the Public. Progress in the industry demands a mutuality of confidence between the "Employer" and "Union". All will benefit by continuous peace and by the adjusting of any differences by rational, common sense methods. To these ends, this Agreement is made.

## ARTICLE I – (MODIFIED CIR) EFFECTIVE DATE – CHANGES – GRIEVANCES -- DISPUTES

**Section 1.01.** This Agreement shall take effect **June 1, 2024**, and shall remain in effect until **May 31, 2028**, unless otherwise specifically provided for herein. It shall continue in effect from year to year thereafter, from June 1 through May 31 of each year, unless changed or terminated in the way later provided herein.

**Section 1.02.** (a) Either party or an Employer withdrawing representation from the Chapter or not represented by the Chapter, desiring to change or terminate this Agreement must provide written notification at least ninety (90) days prior to the expiration date of the Agreement or any anniversary date occurring thereafter.

(b) Whenever notice is given for changes, the nature of the changes desired must be specified in the notice, or no later than the first negotiating meeting unless mutually agreed otherwise.

(c) The existing provisions of the Agreement, including this Article, shall remain in full force and effect until a conclusion is reached in the matter of proposed changes.

(d) Unresolved issues or disputes arising out of the failure to negotiate a renewal or modification of this agreement that remain on the 20th of the month preceding the next regular meeting of the Council on Industrial Relations for the Electrical Contracting Industry (CIR) may be submitted jointly or unilaterally to the Council for adjudication. Such unresolved issues or disputes shall be submitted no later than the next regular meeting of the Council following the expiration date of this agreement or any subsequent anniversary date. The Council's decisions shall be final and binding.

(e) When a case has been submitted to the Council, it shall be the responsibility of the negotiating committee to continue to meet weekly in an effort to reach a settlement on the local level prior to the meeting of the Council.

(f) Notice of a desire to terminate this Agreement shall be handled in the same manner as a proposed change.

**Section 1.03.** This Agreement shall be subject to change or supplement at any time by mutual consent of the parties hereto. Any such change or supplement agreed upon shall be reduced to writing, signed by the parties hereto, and submitted to the International Office of the IBEW for approval, the same as this Agreement.

## **GRIEVANCES - DISPUTES**

**Section 1.04.** There shall be no stoppage of work either by strike or lockout because of any proposed changes in this Agreement or dispute over matters relating to this Agreement. All such matters must be handled as stated herein.

**Section 1.05.** There shall be a Labor-Management Committee of three (3) representing the Union and three (3) representing the Employers. It shall meet regularly at such stated times as it may decide. However, it shall also meet within forty-eight (48) hours when notice is given by either party. It shall select its own Chairman and Secretary. The Local Union shall select the Union representatives and the Chapter shall select the management representatives.

**Section 1.06.** All grievances or questions in dispute shall be adjusted by the duly authorized representatives of each of the parties to this Agreement. In the event that these two are unable to adjust any matter within forty-eight (48) hours, they shall refer the same to the Labor-Management Committee.

**Section 1.07.** All matters coming before the Labor-Management Committee shall be decided by a majority vote. Four members of the Committee, two from each of the parties hereto, shall be a quorum for the transaction of business, but each party shall have the right to cast the full vote of its membership and it shall be counted as though all were present and voting.

**Section 1.08.** Should the Labor-Management Committee fail to agree or to adjust any matter, such shall then be referred to the Council on Industrial Relations for the Electrical Contracting Industry for adjudication. The Council's decisions shall be final and binding.

**Section 1.09.** When any matter in dispute has been referred to conciliation or arbitration for adjustment, the provisions and conditions prevailing prior to the time such matter arose shall not be changed or abrogated until agreement has been reached or a ruling has been made.

**Section 1.10. (a)** All grievances or disputes brought by either party under Article I, Section 1.04 shall be filed within seven (7) working days of the occurrence, giving rise to the grievance or dispute. The seven (7) working day period shall not commence to run until the date the aggrieved learned or reasonably should have learned that he or she had grounds for a complaint or grievance. In no event, however, shall any grievance be filed later than thirty (30) days following the alleged violation on which the grievance is based.

(b) Should any party to this Agreement engage in or initiate any legal proceedings attacking, challenging or seeking to set aside either as a whole or in part the final decision of an arbitration body established pursuant to this Agreement, or who causes any action to be brought before any court or administrative body in contravention of this Section, who is unsuccessful in such endeavor, shall pay the reasonable costs in attorneys' fees of the party prevailing in such action or litigation. The amount of the cost in attorneys' fees to be paid by the person engaging in legal or administrative proceedings seeking to set aside a final and binding arbitration decision rendered pursuant to the terms of this Agreement, shall be determined by the Labor-Management Committee or the CIR, which ever is applicable. Nothing contained in this Section shall be construed to impose a legal or contractual obligation upon any person employed under the terms of this Agreement with respect to the payment of attorneys' fees, absent statutory or legal authority to the contrary.

## **ARTICLE II EMPLOYER RIGHTS - UNION RIGHTS**

**Section 2.01. CONTRACTOR QUALIFICATIONS.** (a) Certain qualifications, knowledge, experience and financial responsibility are required of everyone desiring to be an Employer in the Electrical Industry. An Employer who contracts for electrical work is a person, firm or corporation, whose principal business is that of electrical contracting, having these qualifications and maintaining a permanent place of business and a suitable financial status to meet payroll requirements. To determine financial responsibility, each Employer requesting an Agreement must submit a financial statement prepared by a Certified Public Accountant. The Employer's place of business shall be manned during the regular working hours or have connected thereto a telephone answering service.

**Section 2.01 (b) EMPLOYERS WORKING ON THE JOBSITE.** Not more than one (1) member of a firm (Employer) shall be permitted to work with the tools at any time on work covered by this Agreement. Such working member of the firm (Employer) shall have certain qualifications, knowledge, experience, and shall perform work only during the regular working hours under the terms of this Agreement.

**Section 2.01 (c) WORKING MEMBER OF THE FIRM.** Section 2.01 requires that a firm must have suitable financial status to meet payroll requirements. To insure the continued financial responsibility of the firm, if a firm should designate one of its members who does not have a substantial financial interest in the firm, a working member of the firm; the firm must include along with the written notice to the Union the personal guarantee of such member. Such guarantee shall cover all payroll requirements of the firm, including the payment of all wages and fringe benefits due.

**Section 2.01 (d) LICENSE.** Members of the Union, except those meeting the requirement of "Employer" as defined herein, shall not contract for any electrical work. Any member of the IBEW possessing a C-10 license while subject to employment under terms of this Agreement, shall maintain same on an inactive status.

**Section 2.02. MANAGEMENT RIGHTS.** The Union understands the Employer is responsible to perform the work required by the owner. The Employer shall, therefore, have no restrictions except those specifically provided for in the collective bargaining agreement, in planning, directing

and controlling the operation of all his work, in deciding the number and kind of employees to properly perform the work, in hiring and laying off employees, in transferring employees from job to job within the Local Union's geographical jurisdiction, in determining the need and number as well as the person who will act as Foreman, in requiring all employees to observe the Employer's and/or owner's rules and regulations not inconsistent with this Agreement, in requiring all employees to observe all safety regulations and in discharging employees for proper cause.

**Section 2.03.** (a) **INSURANCE.** For all employees covered by this Agreement, the Employer shall carry Workmen's Compensation Insurance with a company authorized to do business in this State, Social Security, and such other protective insurance as may be required by the laws of this State, and shall furnish satisfactory proof of such to the Union. He shall make payments to the California Unemployment Compensation Commission for all employees covered by the terms of this Agreement.

**Section 2.04. SURETY.** It is agreed that the Employer will post a surety bond or cash deposit in the amount of \$10,000.00 as surety for the foregoing, either in the form of cash or in the form of a surety bond. If said sum be posted in cash, it shall be deposited in a Trust Account usable for the purposes outlined below. The bond shall provide that it may not be terminated without fifteen (15) days prior written notice to the Employer and the Local Union. The aforesaid cash or surety bond is specifically intended to assure payment forthwith, to the extent of said cash or bond pursuant to monetary awards by any or all of the following agencies:

1. The Trustees of the San Diego Electrical Health and Welfare Trust.
2. The San Diego Employees Benefit Board for 3% Pension payments to the National Electrical Benefit Fund.
3. The San Diego Electrical Pension Trust.
4. The California State Labor Commissioner.
5. The San Diego Electrical Joint Apprenticeship and Training Trust. (See sample of form required of bonding company at end of Agreement.)

Each Employer is required to provide proof that their firm has a \$10,000.00 Surety Bond in effect. Any employer shall be released from the requirement of this section upon establishing a 60 month consecutive record of on time payments. The 60 month window will start again after one (1) untimely payment of wages or benefits.

(b) The Labor-Management Committee and/or the Council on Industrial Relations, as the case may be, shall have full power to determine the amount of money due, if any, and shall direct payments of delinquent wages from the Bond directly to the affected employees and direct payments of delinquent fund contributions from the Bond directly to the Trustees of the affected funds or to their designated agents.

**Section 2.05.** The Employer agrees that, if it has not previously done so, it will recognize the Union as the exclusive collective bargaining agent for all employees performing electrical construction work within the jurisdiction of the Union on all present and future jobsites, if and when a majority of the Employer's employees authorizes the Union to represent them in collective bargaining.

**Section 2.06. (a)** In order to protect and preserve, for the employees covered by this Agreement, all work heretofore performed by them, and in order to prevent any device or subterfuge to avoid the protection and preservation of such work, it is hereby agreed as follows: If and when the Employer shall perform any on-site construction work of the type covered by this Agreement, under its own name or under the name of another, as a corporation, company,

partnership, or any other business entity including a joint-venture, wherein the Employer, through its officers, directors, partners or stockholders, exercises either directly or indirectly, management control or majority ownership, the terms and conditions of this Agreement shall be applicable to all such work. All charges or violations of this Section shall be considered as a dispute and shall be processed in accordance with the provisions of this Agreement covering the procedure for the handling of grievances and the final and binding resolution of disputes.

(b) As a remedy for violations of this Section, the Labor-Management Committee, the Council on Industrial Relations for the Electrical Contracting Industry and/or an independent arbitrator, as the case may be, are empowered, in their discretion and at the request of the Union, to require an Employer to (1) pay to affected employees covered by this Agreement, including registered applicants for employment, the equivalent of wages lost by such employees as a result of the violations; and (2) pay into the affected joint trust funds established under this Agreement any delinquent contributions to such funds which have resulted from the violations. Provision for this remedy herein does not make such remedy the exclusive remedy available to the Union for violation of this Section nor does it make the same or other remedies unavailable to the Union for violations of other Sections or other Articles of this Agreement.

(c) If, as a result of violations of this Section, it is necessary for the Union and/or the trustees of the joint trust funds to institute court action to enforce an award rendered in accordance with subsection (b) above, or to defend an action which seeks to vacate such award, the Employer shall pay any accountants' and attorneys' fees incurred by the Union and/or fund trustees, plus cost of the litigation, which have resulted from the bringing of such court action.

**Section 2.07.** An employer signatory to a collective bargaining agreement or to a letter of assent to an agreement with another IBEW Local Union, who signs an assent to this Agreement, may bring up to four bargaining unit employees employed in that Local Union's jurisdiction into this Local's jurisdiction and up to two bargaining unit employees per job from that Local's jurisdiction to this Local's jurisdiction for specialty or service and maintenance work. All charges of violations of this section shall be considered as a dispute and shall be processed in accordance with the provisions of this agreement for the handling of grievances with the exception that any decision of a local labor-management committee that may be contrary to the intent of the parties to the National Agreement on Employee Portability, upon recommendation of either or both the appropriate IBEW International Vice President or NECA Regional Executive Director, is subject to review, modification, or rescission by the Council on Industrial Relations.

**Section 2.08.** The Union agrees that if, during the life of this Agreement, it grants to any other Employer in the Electrical Contracting Industry on work covered by this Agreement, any better terms or conditions than those set forth in this Agreement, such better terms or conditions shall be made available to the Employer under this Agreement and the Union shall immediately notify the Employer of any such concessions.

**Section 2.09.** This section intentionally left blank.

**Section 2.10.** No applicant or employee while he remains subject to employment by Employers operating under this Agreement shall be recognized as a contractor for the performance of any electrical work.

**Section 2.12. (a)** The Union has the right to discipline its members for violation of its laws, rules and agreements.

(b) Whenever any electrician is to be removed from a shop or job by the Union for disciplinary reasons, the Business Manager of the Union shall give the individual Employer involved one (1) day's notice in advance of such removal. Disagreement by the Employer to such removal shall be subject to the grievance provisions of this Agreement.

**Section 2.13. STEWARDS.**

Appointment of Stewards. The Union has the right to appoint Stewards at any shop and/or any job where five (5) or more workers are employed under the terms of this Agreement. The employer shall be notified and furnished the name of the Steward. Such Stewards shall be allowed sufficient time during the regular working hours without loss of pay to see that the terms and conditions of the Agreement are observed at the shop or on the job. No Steward shall be discriminated against by any Employer because of the faithful performance of duties as Steward, nor shall any Steward be removed from the job until notice has been given to the Business Manager of the Union.

**Section 2.14.**

(a) The representatives of the Union shall be allowed access to any shop or any job where electricians are employed under the terms of this Agreement, provided there will be no interference with any work being performed. The Employer shall be notified in advance of any jurisdictional meeting at the jobsite.

(b) The Employer shall furnish all other necessary tools or equipment. Workmen will be held responsible for the tools or equipment issued to them provided the Employer furnishes the necessary lockers, tool boxes, or other safe place of storage.

**Section 2.15 (a)** It shall not be a violation of this Agreement and it shall not be cause for discharge or any other disciplinary action by the Employer against any employee for an employee to refuse to cross a lawfully established primary picket line whether at the premises of another Employer or the employee's own Employer.

(b) Any employee exercising such right shall carefully put away all tools, materials, equipment or any other property of the Employer in a safe manner. Each employee will be responsible for any loss to the Employer for neglect in carrying out this provision but only when a safe place is provided for by the Employer.

**Section 2.16.** There shall be no limit on production of workmen or restriction on the safe use of proper tools or equipment and there shall not be any task or piece work.

**Section 2.17.** Journeymen Cable Splicers shall furnish all required hand tools. Journeymen Wiremen shall provide themselves with all hand tools necessary to perform their work. Employers shall furnish all other necessary tools and equipment, including power tools.

Electricians will be held responsible for the tools and equipment issued to them, providing the Employer furnishes the necessary lockers, tool boxes, or other safe places for storage.

Contractors shall provide hard hats. Employees will sign out hard hats from Employer; if hard hat is lost, employee shall be responsible for replacement.

**Section 2.18.** All Employees covered by the terms of this Agreement shall be required to become and remain members of the Union as a condition of employment from and after the 31st day following the date of their employment or the effective date of this Agreement, whichever is later.

**Section 2.20.**

(a) The Local Union is a part of the International Brotherhood of Electrical Workers, and any violation or annulment by an individual Employer of the approved Agreement of this or any other Local Union of the IBEW, other than violations of paragraph (b) of this Section, will be sufficient cause of the cancellation of this Agreement by the Local Union, after a finding has been made by the International President of the Union that such a violation or annulment has occurred.

(b) The subletting, assigning or transfer by an individual Employer of any work in connection with electrical work to any person, firm or corporation not recognizing the IBEW Local Unions or one of its local unions as the collective bargaining representative of his employees on any electrical work in the jurisdiction of this or any other local union to be performed at the site of the construction, alteration, painting, or repair, of a building, structure or other work, will be deemed a material breach of this Agreement.

(c) All charges or violations of Paragraph (b) of this Section shall be considered as a dispute and shall be processed in accordance with provisions of this Agreement covering the procedure for the handling of grievances and the final and binding resolution of disputes.

**Section 2.21.** A journeyman shall be required to make corrections on improper workmanship for which he is responsible on his own time, unless errors were made by orders of the Employer or the Employer's representative. Employers shall notify the Union of electricians who fail to adjust improper workmanship, and the Union assumes responsibility for the enforcement of this provision. (The Union will continue to investigate all claims made under this Section.)

**Section 2.22. (144 sq. in.) in area visible from the outside of said equipment. These signs shall not be magnetic type.

**Section 2.23. LOANING OR BORROWING EMPLOYEES.** Neither Employer nor the Union may borrow or loan employees from or to another Employer without permission of the other and then only when applicants possessing the required skills are not available through the Referral Procedure.

**Section 2.24. NEW EMPLOYEES.** When the Union refers applicants for employment to the Employer upon the Employer's request, it is agreed that the Employer will not requisition more electricians than he intends to hire.

Disputes involving this subject matter shall be referred to the Labor-Management Committee for settlement.

**Section 2.25.** (a) In order to be competitive in the market and to meet the special needs of signatory Employers on particular jobs, during the term of this Agreement, the Union may provide special consideration to signatory Employers who request such treatment and who demonstrate, to the Union's satisfaction, a specific marketing need with regard to a particular job. Any special terms, conditions, modifications, or amendments so provided by the Union, shall be implemented with regard to the particular job for which they were requested. To the extent feasible within time constraints, such special terms, conditions, modification, or amendments shall be made available to all signatory Employers with regard to the particular job in question, and notice provided to NECA within forty-eight (48) hours of the bid, but shall not constitute an action subject to the favored nations clause in the Agreement. Such waiver of favored nations shall be for the award of new contracts only.

(b) By mutual agreement of the parties to the Agreement, Section 2.04 may be waived. Any agreement by the parties to waive this Section shall specify in writing the specific limits of such waiver. It is understood that any waiver shall be on a case by case basis.

(c) The Employer shall have the right to call a Foreman by name provided:

**Section 2.26.** (a) It is not a violation of this Agreement to subcontract work as follows: Backhoe Trenching, Concrete and Asphalt Cutting, Concrete and Asphalt Pavement surface replacement and repair, and Fencing, subject to Sec. 2.20(b).

(b) The adjustment of any grievance filed under Subsection 2.20 (b) shall consider the contractor's primary responsibility to obtain work for his own employees under this Agreement. In addition, the adjustment shall consider good faith efforts to comply to this Section in view of such problems as proprietary specifications, owner designation of sub-bidders and possible unique expertise or competitiveness of sub-bidders. This does not include conduit installation or wire pulling.

It is mutually agreed that if the E/MD is removed from the Agreement by the International Office of the IBEW, and a program is developed at a later date by the National parties, the Agreement will be immediately amended to include this new program. Further once the E/MD is adopted, NECA will implement a program to utilize up to 20% of the funds collected for promotional campaigns. In implementing these programs, NECA will require the Union's input.

**Section 6.05. Audits shall be conducted periodically at the Employer's place of business unless otherwise agreed by the Trustees.

If such audit discloses that there has been underreporting by the Employer, he shall be chargeable for the underreported amount and any delinquency charges that may be due. In the absence of adequate hourly time records, the gross moneys received by the employee shall be divided by the basic hourly rate to determine the hours worked by the employee and to compute the amount of contributions due the respective Trust Funds by the Employer.

The Trustees shall establish audit procedures and shall determine the specific method for implementing such procedures to the extent provided for in the Trust Documents.

(c) The Trustees to the extent provided for in the Trust, shall be entitled to and may file legal action for the collection of any and all contributions and delinquency charges due and owing by any and all Employers hereunder and in the event such action is maintained and filed, in addition to recovering of payments due and owing, liquidated damages and legal rate of interest, the Employers hereunder agree to pay all costs of such suit or suits, together with reasonable attorney fees.

**Section 6.07. SUBSTANCE ABUSE PROGRAM.**

The dangers and costs which alcohol and other chemical abuses can create in the electrical contracting industry in terms of safety and productivity are significant. The parties to this Agreement resolve to combat chemical abuse in any form and agree that, to be effective, programs to eliminate substance abuse and impairment should contain a strong rehabilitation component. The local parties recognize that the implementation of a drug and alcohol policy and program must be subject to all applicable federal, state, and local laws and regulations. Such policies and programs must also be administered in accordance with accepted scientific principles, and must incorporate procedural safeguards to ensure fairness in application and protection of legitimate interests of privacy and confidentiality. To provide a drug-free workforce for the Electrical Construction Industry, each IBEW local union and NECA chapter shall implement an area-wide Substance Abuse Testing Policy. The policy shall include minimum standards as required by the IBEW and NECA.
